Taxation Of Your PPP Loan... AGAIN

Watch Video

Strategic Business Coaching (SBC) by the Tax Goddess empowers business owners to take control of their businesses by providing consulting, coaching and support to help you obtain a deeper understanding of your business & assisting you in meeting your goals (whatever they may be) in your business. SBC creates strategies & provides coaching to you that apply to your day to day operations in order improve your bottom line, reduce costs, answer those "what-if scenario" questions so you know what decisions to make, and reach your goals..

General Business Tips

The Best Lighting for Your Zoom Calls to Look More Professional

Just because there's an end in sight for work-from-home mandates legally speaking, we suspect Zoom will be ingrained in corporate culture indefinitely moving forward.
